

**There are established systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.**

- The college ensures regular maintenance of the existing infrastructure as well as equipment of the college. It also continuously tries to avail the latest equipment and infrastructural facilities. For this purpose, there is a provision in the budget and various committees in this respect dedicate for the up keep of various facilities.
- Day to day maintenance of classrooms and laboratories ensured by the support staff, is a key factor. In major cases it is done by some external agencies.
- Adequate amount of budget is allocated to provide sufficient classrooms and other academic & physical facilities with a view to facilitate smooth running of classes.
- A portion of budget is allocated for Physical Education Department for purchasing the sports equipment etc.
- The Librarian regularly issues books to the students, maintains library stocks and rare books with the help of 2 support staff. The activities like fumigation and pest control are done by external agencies.
- Equipment like generators, water purifiers, ACs, water pumps are also taken care of either by AMC system or other service providers as and when required.
