MESSAGE OF THE PRINCIPAL

I am extremely happy to know that the second issue of Dwijendralal College Newsletter is ready to get published. One is free to treat these as fiction or reality, but the daily activities of the college, in the changing scenario, are vehemently expanding and the important ones of these, need to be preserved as documents for future. The News Bulletin Publishing Committee has done a wonderful job to accommodate so many issues, even after stringently eliminating many more other things, due to lack of space. I hope the college will take sufficient care to keep in flow the standard and tradition, it has set anew for itself.

DR. BANIBRATA GOSWAMI
